Presidents message

Greetings Tall Friends,

Here we are in June and TCI Convention at Sea is just around the corner.

Newsletter Honorable Mention

There are 8 clubs still producing a newsletter. Five of these will be voted upon during convention to see which club brings home the TCI Best Newsletter Award for 2023.

All the newsletters are well done, and it was a difficult task to decide which ones would be in the top five.

Let me point out the three Honorable Mention newsletters. Tall Club of Long Island, Central Arizona Tall Society, and the Tall Club of New York. They were all worthy and deserve recognition.

One thing that I would like to do this year, is have our Communication Officer send out occasional copies of all the newsletters so each club can see what is going on in other clubs and the quality of each production. The editors of these put a lot of time and effort into producing them. Make sure that those editors are well congratulated for their efforts.

“Your Tall- Keep Smiling”

Everyone please be safe and enjoy The 2023 Convention @ Sea
