

October 2023

Communications - John Waltman

Cheeseburger in Paradise Cancun.

This alternate gathering was an awesome event for the 20 plus that attended. Seven days of sun, food, pool, touring, and a never ending bar.

There were several different choices that one could make for each sitting of Breakfast, Lunch and Dinner. Local, Traditional, and Asian. Most of the group chose to sample all that was available to us. I might add, there were no disappointments in quality, in any of the available choices.

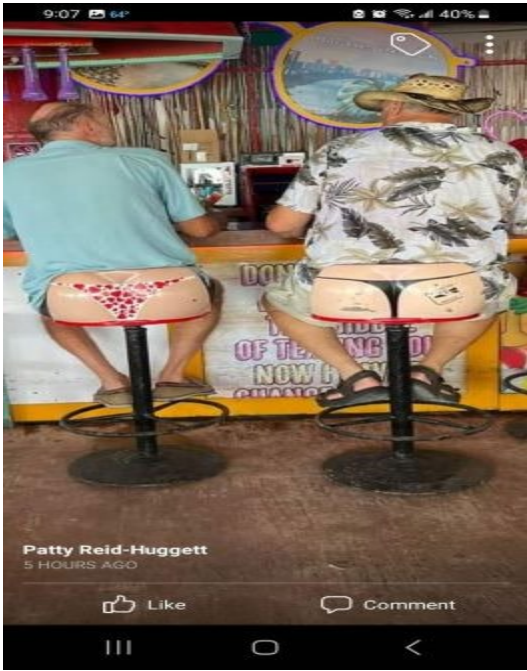

A walk through downtown Cancun gave many a clear view of the local culture and shops available to any tourist. The only thing this tourist had issues with was the HUMIDITY. Eighty four to ninety degrees most every day. Sunshine with a really nice ocean breeze made for some awesome weather for the week. However the 78 to 86 % humidity did take its toll on a few of us.

Our special spot was the swim up bar in the lower pool. Lots of conversations were taking place here. Daily the facility sponsored several different events both in and out of the pool. TCI favorite event was the water volleyball daily at 4pm

Hats off to The Sacramento Tall Club for hosting this gathering!!!

Here is a sneaky picture of Part of the TCI Board having lunch. Bob and Big John were willing participants during our lunch for a few shenanigans.

TCI Monthly 4th Thursday Zoom

TCI 4th THURSDAY Monthly ZOOM Meeting

Greetings,

TCI monthly Happy Hour call is this Thursday at 4:00 pst.

Tall topics will also be sharing the link.

Thought we would use the time to answer any questions about the Wickenburg AZ weekend in January and anything else anyone would like to discuss.

Probably the last happy hour call until after the event.

Please forward the link to anyone who may be interested in joining.

As always, there is no rhyme or reason to who this is forward to, I just went through my contacts and selected. Please do the same for those who don't get the info from their club or Tall Topics.

Looking forward to seeing and talking to everyone!!

Mary Elemen
