*From the desk of ..... The Prez*

April is known for its showers but if wishes come true, in 2025 we will not have much rain. It will have plenty of sunshine, springlike temperatures and many, many happy times.

This month we're having Italian for lunch on Saturday, April 26<sup>th</sup>. We have been to and enjoyed wonderful food at Umberto's in Bellmore, LI as well as in Dunedin, FL. They are all part of the Illiano family since 1986. There is also their restaurant in Wantagh, LI that we will visit on the 26<sup>th</sup>. As it is part of the same family of restaurants, we are confident the food will be *de-lic-i-ous*! Want great Italian food with your tall friends? Just contact Brian and let him know you will be there.

Don't know about the rest of you, but Delta has changed both our flights to/fro TCI Convention twice already. Hope there are no more changes.

Have an activity you would like to do with your tall family??? Just let Brian and/or me know and we will try to make it happen.

Hoping to see you on April 26<sup>th</sup>.

Take care of yourself and those you care about . . . . .

**Since St. Patrick's Day is in March, TCLI decided to have lunch at an Irish restaurant. The only Saturday that fitted everybody's schedule was March 15th. Marge suggested Paddy's Loft in North Massapequa. Karen and I have been here before.**

**Considering lunch was going to be on St. Pat's Day weekend, I heeded Linda Ring's advice to make a reservation well in advance. Good thing I did. The place was packed. Still, the atmosphere was festive. Irish music was playing in the background.**

**The kitchen was apparently overwhelmed. It took a while for our dishes to arrive. The wait was worth it. The food was delicious. Our server was very outgoing, and he had no problem doing separate checks. Nice. Paddy's Loft has 13 beers on tap. Very nice. 🍺**

**The crowd started to thin out around 2:30 pm. I would like to make going to an Irish restaurant for March's lunch a tradition. Next year we'll try to do it not so close to the big day. And maybe have a later meeting time.**

**Thanks to all who came. I enjoyed your company and the conversations. April's lunch will be at Umberto's of Wantagh. See the separate FB post for details.**

**Brian Quinn**

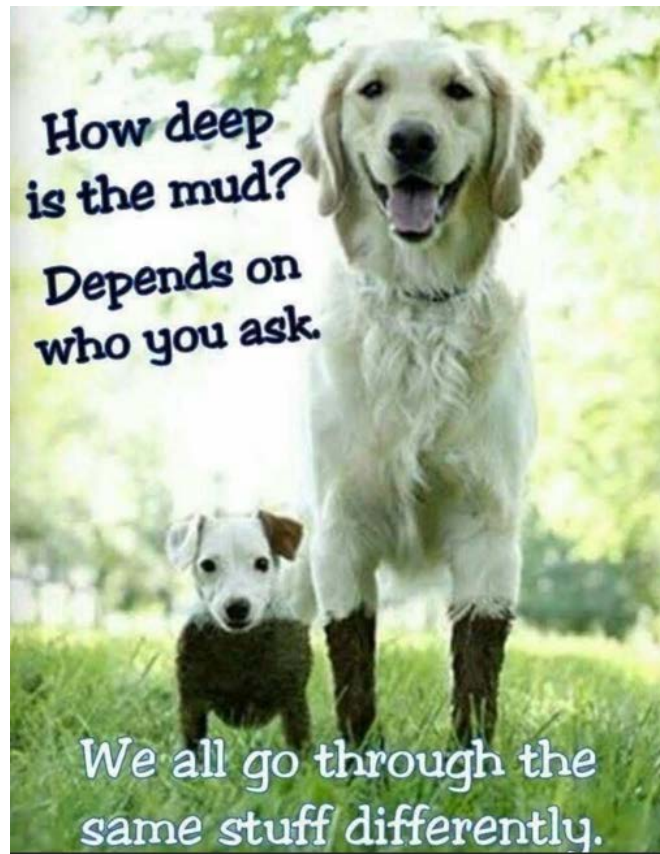

Being tall is an advantage, especially in business. People will always remember you. And if you're in a crowd, you'll always have some clean air to breathe.
