JANUARY 2026

HAPPY
NEW YEAR

Looking ahead, 2026 is shaping up to be a very busy and exciting year:

- The Winter Olympics in Italy
- The European Tall Club Convention
- The FIFA World Cup in the United States
- The USA's 250th birthday celebration
- And Tall Clubs International turns 88 years old

I am also hoping to announce the formation of new TCI Tall Clubs that truly represent the Next Generation. As many of you have seen, a number of us are actively engaging on social media across several "Tall People" platforms. We've attended Tall Tours events, connected with new faces, and are working to turn that visibility into meaningful engagement with younger tall people.

The youth are our future. If TCI is to continue, embracing this next generation is essential.

I ask each club to take an honest look at itself and consider where it is headed. I am aware that some clubs exist in name only, and that must change. We need to be active, visible, and responsive. I continue to receive notices from individuals who reach out to clubs and receive no response. That is simply unacceptable and does not reflect who we are as an organization.

For those already embracing social media, please stay active on platforms that cater to tall individuals. Share contact information, invite people to meetings, and encourage them to join existing clubs or even start new ones where appropriate.

continued from previous page...

Before closing, I want to share some hopeful news regarding the 2026 Convention. Two groups are currently working on proposals. While I'm not sharing details just yet, if both plans are viable, we will select one for 2026 and hopefully have another ready for 2027. And don't forget, 2028 marks the 90th anniversary of Tall Clubs International. Where will we celebrate such a milestone?

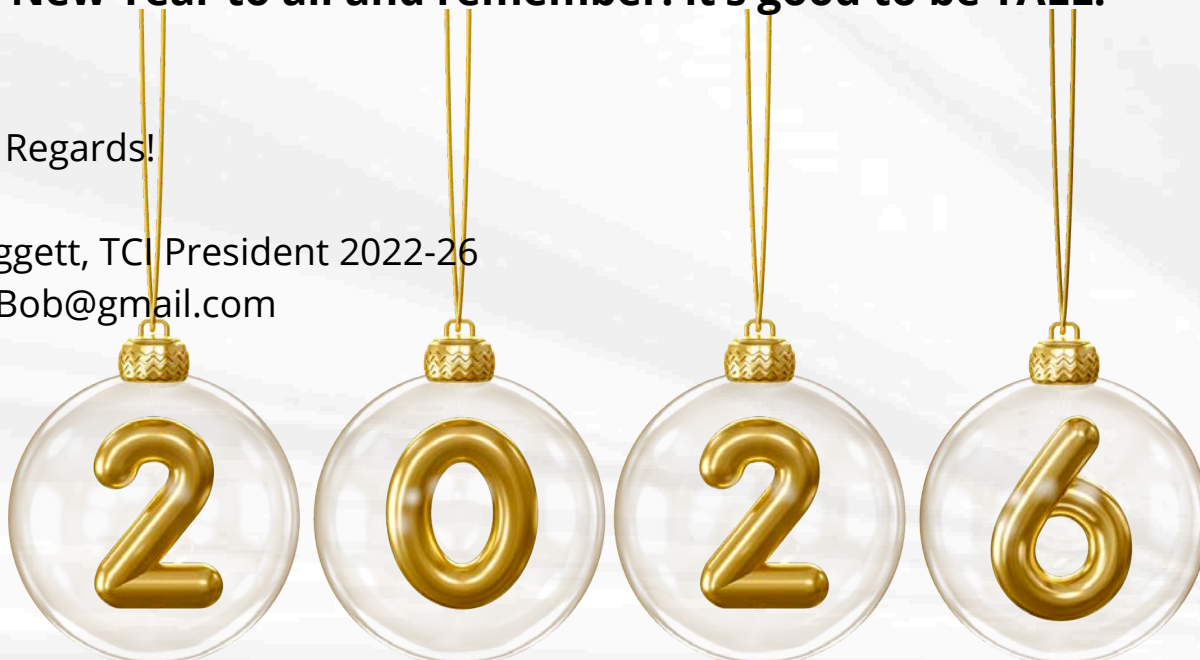

Finally, a reminder that TCI Member Club and Member-at-large dues are now due. If you have any questions, please contact Oliver at TCITreasurer@tall.org. We are also now accepting payments through Zelle—reach out to Oliver for details.

Happy New Year to all and remember: it's good to be TALL.

Highest Regards!

HAPPY NEW YEAR TO ALL

Can you believe it's almost 2026? Time truly flies. It feels like just the other week that I joined the Baltimore Tall Club and attended my very first weekend in Rochester, New York, in 1997. Since then, I've been fortunate to attend many weekends and gatherings across the United States, and I have so much to be thankful for because of it.

Along the way, I've met and connected with thousands of members. I've built friendships that have stood the test of time and challenges, shared phone calls just to catch up, received postcards from members while they travel, and welcomed friends into my home—whether for a vacation or during a job search. TCI has truly been a life-altering experience for me, and I wouldn't change it for anything.

While TCI may be slowly shrinking, I continue to be inspired by the individuals who refuse to give up on this exceptional organization and who keep things moving forward. Gatherings have become a staple for many of us, and that's okay—as long as we continue to show up, stay engaged, and keep believing in what TCI represents.

That said, I do want to gently remind everyone that TCI isn't sustained by just a few people in leadership roles. Each of us plays a part in keeping this organization vibrant and alive. When responsibility is shared, ideas flourish—and that's how organizations like ours continue to grow and thrive.

If you have an idea, share it. If you need help bringing it to life, ask—there is a wealth of experience within our membership. Many of us have leaned on those who have organized conventions, weekends, and gatherings before us, and they are always willing to help. There are hundreds of combined years of knowledge within TCI, offered by members who stepped forward so others could enjoy meaningful experiences.

Perhaps now is a good time for all of us to reflect and ask how we can contribute in our own way. As JFK famously said but altered here a tad: **"Ask not what TCI can do for you—ask what YOU can do for TCI."**

May each and every member of our TCI family have a safe, joyful, and healthy New Year. I look forward to all that we can continue to build together.

Tall Clubs International News

Over the past several years the TCI Foundation has been working hard to expand our scholarship coverage area so all tall applicants in the U.S. and Canada have an equal opportunity to receive a scholarship. Several of the local clubs have participated in the scholarship program for years, but there have also been large areas with no coverage. To help resolve this issue, we started recruiting MALs a few years ago to help cover the unrepresented areas. Additionally, some clubs have taken on the role of proxy for clubs near them that currently don't formally participate in the scholarship program. For example Boston, in addition to covering its own area of the majority of New England states, also is the proxy for the Southern Connecticut club. There are also multiple instances of individual foundation board members picking up an unrepresented region personally. For example, I personally picked up New Jersey for 2025. At the same time we are aware that non-participating local clubs may be missing out on PR opportunities resulting from the scholarship program.

In an effort to get us all on the same page and working together instead of the Foundation just making arbitrary decisions, we are requesting that clubs without their own scholarship chair, register a proxy club or individual with the Foundation to submit scholarship candidates on their behalf. The plan is that by formalizing this better so everybody knows who is doing what for whom, there will be better communications that allow even those clubs that do NOT have a scholarship chair to be able to get the benefit of students in their area being able to apply for a tall scholarship and perhaps get some good PR as well.

If you need assistance finding an available club, or qualified individual to be your scholarship proxy, please contact Lynda Lowin at tcifscholarship@gmail.com or myself at marie.austin999@gmail.com.

Additionally, we've had some members of the Foundation board hit their term limits. If you would like to help fill some of the holes, let me know and we can discuss where you could be the most help in with your current skill set. The most crucial at the moment is Secretary, to take minutes of the board meetings. Our current secretary is moving up to Vice-Chair.

Marie Austin
TCI Foundation Chair

Full day - Day trip to Pottenstein

On Friday, we'll take the bus to Pottenstein in Franconian Switzerland. There, we'll visit the Devil's Cave and discover majestically large or delicate and intricate stalactite formations. We'll also see a complete cave bear skeleton. The tour through the cave has 400 steps, and the temperature inside is a constant 9°C.

Before or after, depending on the tour, we'll visit the Pottenstein Adventure Rock. There, we'll walk along the spectacular Skywalk and admire the Franconian Switzerland region from above. Those who wish can also ride the summer toboggan run (at their own expense). We'll also take a short 1.5 km hike.

In the evening we'll go to a brewery restaurant and enjoy the buffet. Drinks are at your own expense.

The bus will then take us back to Nuremberg.
