Hello TCLI -

I hope by the time you read this, you have thawed out and dug your car out. It has been several years since we had a snowstorm followed by such low temperatures and icing conditions. Worst part of this is the snow/ice is not melting because of the frigid temperatures.

As most of you know, I live in Howard Beach, Queens . . . just 4 miles from JFK. Last time we had these weather conditions, the NYC Sanitation Department had the ice put on Sanitation Trucks and dumped into Jamaica Bay. Why has something like that not been done both in NYC and Long Island? I just know while riding in my car I see cars that have not moved since the storm. The size of the streets are narrowed due to the mounds of not snow . . . rather mounds of ICE. Get the streets and roads clear for safety reasons.

This month for our luncheon we are off to Babylon. I have not been to Mulberry Street in a while but really looking forward to it. When I would be in the Babylon area for any reason my highlight was going there for grrrrreat Italian Food. Hope you will join us.

When we were at Mangoes last month we met three (3) new friends. Want to say a Tall Hi to Carol, Paul + Mark. Hope to see you again soon.

That's all for now. Please take care of yourself and those you care about.

Arlene

TCLI had a nice lunch at Sonny's Canal House. I was hoping to get a table on the glass-enclosed patio, which has a scenic view of the canal. Alas, the patio was reserved for a kid's birthday party. TCLI goes with the flow, so we ate inside. Topics of conversation included the recent TCI convention in Grand Rapids; it was a fun time for all. The food was delicious; the portions, very generous. Everybody welcomed Eleanor's friend, Alan.

**** Highlights of the 01/24/2026 lunch @ MANGOES****

As per tradition, TCLI went to Mangoes in Bethpage for our first 2026 lunch event. It was a hit!

Fourteen people attended. The manager recognized us as soon as we walked in, and he warmly greeted us. Everybody enjoyed chips, salsa, guacamole, savory Mexican entrees, and sweet desserts. So much food! Then again, a heavy snowstorm was coming the next day, so this was a perfect opportunity to feast with good friends. A great time was had by all! 😊

Good news!
